Action Taken Report AY 2020-21

Sr. No	Recommendation by IQAC	Action taken and Outcome
1.	To improve the use of ICT in teaching, evaluation and administration process	Google Classroom created for third year students. Lectures were conducted using Google Meet due to the pandemic. Teachers posted assignments, quiz, reading material etc in the Google Classroom as part of components of internal evaluation in accordance with CBCS pattern and SPPU guidelines. All students carried on with the academic activities, remotely.
2.	Revising and upgrading conventional practices and systems in the backdrop of Covid-19 pandemic with emphasis on digital mode of working, remotely.	One and a half year was all about weaving online technology with curricular delivery along with below mentioned activities. <ul style="list-style-type: none">a. Online Admissions : The online admission process benefitted students at remote locations and ensured social distancing. All precautions and guidelines were followed at campus.b. Access to e resources : Students were provided online training for accessing e resources.c. Staff Welfare : Staff leave policy was revised in view of covid-19. 'Corona Kawachh', a health insurance policy for interested staff members, was provided by the institute.d. Webinar : Students and teachers were trained for the use of online teaching and examination systems. Webinar on Innovative Online Teaching Methods was organized and attended by 88 faculty members to equip themselves with online teaching tools.e. Online Feedback System : The feedback form was revised for all stakeholders to express their views remotely through online Google Forms.f. Co Curricular and extra curricular events : 'Pegasus' was conducted in online mode to bring cheer through various competitions and 312 students participated.

		g. Faculty skill enhancement : Faculty members completed online courses as part of upscaling.
3.	Emphasis on mental health and emotional well being of students	All students were provided with regular counseling sessions for three weeks to overcome stress due to the new normal of working online.
4.	To initiate innovative and industry oriented programs	Sanction received for three BVoc programs and planning done for its implementation for AY 2021-22. Grant awaited for program commencement.
5.	To strengthen quality of research culture	Proposal for extending the PGRC was submitted. University committee visited in August 2020 and accordingly received an extension of five years for PGRC. Members planned for activities and organized a webinar on 'Writing & Publishing in High Impact Journals' from which 55 faculty members benefitted. Furthermore, 'Saturday research activity' was promoted amongst faculty members for intellectual discussion on topics like 'IT boon or bane with respect to social distancing', 'Business opportunities in times of pandemic' etc.
6.	Use of ERP Software having new features for admission, examination, office work etc	ERP software was upgraded for admission having support for payment gateway was implemented. This proved beneficial for the online admission process to address the issues of admission during pandemic.
7.	Industry collaboration	MoUs were signed with the following companies 1. CJC 2. Bhanushali Productions 3. Delmon Solutions 4. Coriandis Foods and Hospitality LLP 5. Aaj ka Anand Papers Ltd.
8.	Interaction with Alumni through online platform	Online alumni meet was organized in the academic year where 32 participants shared their industry and technical experience.
9.	Student Satisfaction Survey Analysis	The student satisfaction survey for AY 2020-21 was analysed for strengthening good practices and improvising any lacunae. These aspects were taken up as agenda for the meeting conducted in AY 2021-22.
