STUDENT CONNECT PROGRAMME

On 31st January 2023, MSBTE and DTE had organized Principal's meet Under School Connect Program. In this program symposium on "Innovative pedagogy and its impact on learning of students" was conducted. The principals also visited various labs of the institute. The keynote speaker was Ms. Sonal Thorve, Technical officer (Science Education) IRISE, Indian Institute of Science Education and Research, IISER, Pune. Chief guest was Dr. Dattatray Jadhav, Joint director, Pune region. Prin. B. G. Jadhav, President Marathwada Mitra Mandal was also present in the function. This school connect program also gave information regarding engineering diploma, admission process and documents required during admission to various schools. They selected MM Polytechnic as their partner to conduct various activities. The team visited various schools in PCMC and Mulshi region, guided 10th class students about the diploma courses, future prospects, documents required and admission process. Mindfest quiz competition was also conducted which is based on general knowledge.

BAMBOO WORKSHOP AND FOUNTAINHEAD INITIATIVE

A Bamboo workshop was conducted on 27th to 30th JANUARY 2023 where 40 undergraduate students from MM's College of Architecture took part. The workshop was conducted for the intent to have a hands-on

experience for the students of working on a structure which is made of Bamboo. The students learned about the technique of using bamboo as a structural material. The workshop was conducted on MMCOA campus by Ray Design Studio experts - Ar. Vaibhavi Agrawal and Ar. Shital Chaudhari. The output was a shell structure with bamboo as a structural member and

Hon. Exec. President Prin. B.G. Jadhav Sir interacting with the workshop curators from Ray Design on site

covered by mesh concrete. Apart from these initiatives, Marathwada Mitra Mandal's College of Architecture has been conducting the vibrant lecture series FOUNTAINHEAD to initiate professional skills and dialogues between students and leading professionals. Eminent experts have enlightened the students on

the opportunities, future scope & varied avenues in the field of architecture through their presentations and discussions. Dr. Ya'ara Roser-Manor, an Urban Planner from Israel was invited as the guest speaker for the 3rd Lecture under the Fountainhead Series. She presented on the topic "Cities as Complex Adaptive Systems."

CODE MANIA 3.0 - 3-LEVEL CODING COMPETITION

The Department of Computer Engineering in association with CSI Student Chapter organized an International Level Coding Competition "Code Mania 3.0". It was a 3-level coding competition organized for all the coding enthusiasts. This year, the competition was organized at an Inter-national level. It was conducted on 11th of February 2023. The participants were prepared to take part, address multiple issue statements, compute algorithms, and decipher codes to arrive at a solution. The event was conducted on the platform "Google Forms" and "HackerRank". The event was conducted in both, Offline and

Event of Code Mania

in all higher educational institutions from the month of June. Also, to allow students with freedom to study in multiple colleges as well as to allow them to change their college mid-course, Academic Bank of Credits (ABC) is already being brought into action to provide smooth transition. RUSA state project director Dr. Vinayak Nipun couldn’t physically attend the meet but made sure to address the audience with a video message in which he mentioned ‘Industry needs holistically developed youth’ and ‘Basic qualities and skills such as How to Think, Analytical approach, Problem Solving, Honesty, Team Work, etc. should be the results of their education’.

2023. Other honourable guests included Dr. Deepak Shikarpur, Principal B. G. Jadhav (executive president), Professor Tej Nivlikar and

Principal Dr. Devidas Golhar. ‘Educational Equivalence to be brought in all Agricultural and Non- Agricultural Institutes

of Maharashtra’ stated Dr. Deolankar. Credit, Syllabus and Academic Calendar will be made equivalent and uniform

NEED FOR INDIANIZATION OF EDUCATION - PRINCIPAL DR. GOLHAR

Dr. Devidas Golhar, Principal, Marathwada Mitra Mandal’s College of Commerce and Member, Taskforce, NEP 2020; conducted the second session for Day one of the Two Day State Level Workshop on NEP 2020. He spoke about the

need for Indianization of Education and Knowledge in Academia by adopting the broader vision of NEP and how the apprehensions of the stakeholders regarding the rigid curriculum will be addressed. He pointed out the fact that while liberal arts and STEM subjects are a popular choice, the subjects like Arts, Crafts, Homeopathy, Ayurveda etc are getting overlooked.

“THIS IS THE ERA OF EDUTAINMENT” - DR. DEEPAK SHIKARPUR

Dr. Deepak Shikarpur, Director of Kinetic Communications quoted “This is the era of ‘Edutainment’” as in his keynote address during two-day state level workshop on Implementation of NEP 2020: Industry Institute Linkages, about how the teaching in today’s world must be a combination of education and entertainment.

In his topic, “Role of Teachers and Institutions for Industry Collaboration”, he emphasized the importance of adapting to using and teaching the latest technologies considering the global audience. The concerns of the youth are employability, industry expectations, inherent skills, degree with global acceptance, professional ethics, education that is in tune with the personal aptitude and interest etc.

INDUSTRY-ACADEMIA CAN WORK TOGETHER

A Two-Day State Level Workshop in collaboration with SPPU was conducted in MMCC on Implementation of National Education Policy 2020: Industry Institute Linkages on 14th and 15th February 2023. Experts from both Industry as well as academia were present for delivering lectures on topics pertaining to the effective collaboration of industry-academics through the vision of NEP 2020.

Professionals like Dr. Umesh Deshpande (General Manager Logistics, Mercedes Benz), Mr. Shrikrishna Kulkarni

(Commodity Manager, John Deere), Mr. Shrikant Sarda (Managing Director and Client Group Lead, Accenture Technology) and Mr. Sanjeev Bajaj (General Manager Marketing and Communication, National Institute of Stock Market), Dr. Parag Kalkar (Commerce and Management, SPPU) spoke on the various avenues and challenges through which academia can collaborate with industries and the role of stakeholders in this collaboration. The participants were made aware of industry expectations in relation to the

company systems and processes that could pave the way for academia to benefit from.

The two days were fruitful as discussion on the importance of entrepreneurship through industry institute linkages was highlighted for better employability among students. Their overall suggestions were related to the teaching role guidelines so as to undertake the responsibility of developing the young generation. The workshop was coordinated by the convener Dr. Ashwini Kulkarni, HOD, Management Department.

MMCC GEARED UP FOR NEP 2020

MMCC in association with NAAC is organizing one-day state-level seminar on Redefining Institutional Perspective Plans in view of NEP 2020. Primarily, the seminar expects to create awareness and preparedness for the expected changes in education brought on by NEP 2020.

This seminar will throw some light on different perspectives and outcomes on redefining institutional perspective plans for the assimilation of holistic and multi-disciplinary education in view of the contemporary disciplines.

MY RIVER, MY VALENTINE

Student volunteers of NSS cleaning the banks of Mutha river

On February 12, 2023, a river conservation and environmental protection activity 'My River My Valentine' was organized in association with Pune Municipal Corporation, Worship Earth Foundation and Marathwada Mitra Mandal's College of Commerce. 56 students from the

college actively participated in this. The drive was held by the National Service Scheme (NSS) of the state of Maharashtra and nearly 1,000 students from different colleges in Pune and Pimpri-Chinchwad participated in it. This cleanliness drive is celebrated every year in the month of February.

EXERCISE YOUR RIGHT TO VOTE

MMCC celebrated 'National Voters Day' under Election Literacy Board on 25th January 2023. On this occasion, Prof. Sarang Edke opined

on the importance of voting in strengthening democracy. He also expressed that "Youth should preserve the democratic tradition of our country and participate in the voting process in maximum

numbers and exercise their right to vote by honoring the election without succumbing to any temptation". The program was coordinated by Nodal Officer Asst Prof. Pravin Kad.

MMCC GOES CLEAN AND GREEN

In today's time, where the problem of 'global warming' getting acute day by day, everyone needs to take initiative to protect the environment. Under this initiative indigenous, evergreen and herbicides like Amla, Tamarind, Lemongrass, Bakul, Bahava, Bael, Karanj, Jamun and Adatoda are planted in the college campus and we are happy to inform that MMCC has bagged 1st prize in growing and restoring indigenous plants in college campus by 'Pune Municipal Corporation.' These awards boost the aim to conserve the environment. Asst. Prof. Archana Kamthe of Junior College took this initiative to create an awareness among the students to plant trees.

TEAM ASTITVA WINS HEARTS OF THE KIDS

Students Distributing food packets in the Donation Campaign

Students of TYBBA(CA) participated in 'Food Donation Campaign in Orphanage' at Narhe under the initiative, 'Astitva' to celebrate Chhatrapati Shivaji Maharaj Jayanti on 18th February 2023. Distribution of food packets, clothes and girls hygiene practices at orphanage has successfully took place. Also, distribution of food packets to needy people around the street took place.
