**Name of the event:** Study Tour to New Delhi

**Date:** 09/04/2023 – 16/04/2023

**Brief description of the event:**

The Department of Communication and Journalism, MMCC organized a study tour to Delhi for the students of both Part 1 and Part 2. The tour aimed to cover important places of national importance, historic places, and places relevant to the students' field of study.

The tour began on April 9, with 23 students from both the 1st and 2nd year batches gathering at Pune station before boarding the Jhelum Express. The train journey was a memorable experience, with students playing games such as relativity of words, Dumb Charades, cards, and Antakshari. The journey lasted for almost 30 hours before finally reaching Delhi on April 10. The stay was arranged in YMCA Youth Hostel at New Delhi for all four nights.

**Day One** – The students were taken to Birla House on 30 January Road, where Mahatma Gandhi had stayed in his last days. The house has a museum with artifacts, photographs, and statues of Gandhi's life events. They were surprised to see the walkway and footsteps where Gandhiji had walked last time before being shot by Nathuram Godse. Next, the students visited the Madras 18 Regiment, where they witnessed weapons, medals, and chronicles used by the regiment and watched a drill.

After that, the students were taken to attend a press conference of Pawan Khera at the Congress party house and had lunch there. Later, they visited the News Nation TV channel office in Noida and learned about the functioning of different sections such as PCR, chroma room, and shooting studio. It was a double surprise for most of them as they met their seniors, batchmates, and juniors working at the news channel and learned various practical things from them.

**Day Two:** The Students were taken to Visit to Parliament house and saw the Lok Sabha and Rajya Sabha from inside and learn how it function when in a session. After a scrumptious meal at Andhra Bhavan the

students visited the office of BBC. There they learned about the functioning and strategies of BBC, talked to directors, and saw the gallery room (PCR) in-depth. Finally, at the end of the day two, visit to India Gate and a quality time with friends and faculties made the evening a memorable one. The dinner was planned in Gujarat Bhavan which was filled with the traditional delicacies helping the tired minds to peace.

**Day Three:** The third day started with a visit to Rashtrapati Bhavan, where students learned about its significance and the Indian polity. Students also visited the President Museum and saw the personal belongings of ex-presidents. Next, the students were taken to Maharashtra Sadan and met with Prashant Kadam, a Delhi-based reporter for ABP Majha news channel and an ex-student of MMCC. He shared some valuable tips for working in the field. This was followed by visit to the Maharashtra Information Center, where the students had an interaction with Smt. Amarjot Kaur Arora and were inspired by her personal and professional journey. The last stop on day three was Sarojini Market, followed by dinner.

**Day Four:** On the fourth and final day of our Delhi trip, the students visited the Indira Gandhi Memorial and learned about the Gandhi family. They were also taken to the Indian Agricultural Research Center where they witnessed the production of wheat and the M. S. Swaminathan library. After lunch, visit to the Qutub Minar and the Lotus Temple was done.

Overall, the study tour was a great learning experience for the students and helped them gain practical knowledge relevant to their field of study. The tour was successful, thanks to the guidance and support of our Principal Dr. Devidas Golhar.
