Dr. Devidas Golhar, Member - NEP Task Force, Maharashtra guided the students and faculty members for promoting critical thinking amongst all under the student forum. The forum itself was chosen in the green campus with freedom to think and doing away with barriers. The students used eco friendly material to design seating arrangements and beautified the trees with their creativity using the regional art form of Warli painting.

2. Sources of Joy

The student forum organized a session on Sources of Joy on 6th April 2022 along with Priyadarshini Yuvati Manch and Students Development Cell where student Counsellor, Mrs Dhanashri Ghare discussed about small things bringing joy in our life. She conducted a small activity in which she made students identify and acknowledge these joys that make their lives better and richer.

Students shared sources of joy such as Feeding stray animals, Painting, Playing Cricket, Exercise, Improving Skills and many more. The activity made everyone experience gratitude for small things that help them to cope with the stress. The discussion prompted critical thinking and introspection amongst the students for their life.

3. Pledge

Students and faculty members observed Dr. Babasaheb Ambedkar birth anniversary and took a pledge for being a good responsible citizen. The pledge in regional language was assimilated into the minds of the young generation for good behaviour. Their idea of FORUM being - FOR U & ME, touched a chord with all present.
