MARATHWADA MITRA MANDAL'S

COLLEGE OF COMMERCE

202 A, Deccan Gymkhana, Pune – 411004

Feedback analysis and Action taken Report

Following are the suggestions given by our stakeholders		Action taken/ plan of action	Name of the Department
Å	Some Students had a problem with their college email ids and passwords	1. A workshop was conducted for the students to orient them with the use of email addresses and resetting of passwords.	IT Department
A	Few Students were concerned during lockdown for their exams. They were also concerned about the assignments and notes because of social distancing.	 Google classroom awareness workshop was conducted twice. Students received assignments. online tests, and learning resources on google classroom. Guidance was provided through online meetings regarding SPPU examination updates in tune with examination pattern in accordance with the rules of social distancing. 	Exam Department
A	A sizable Students missed the co-curricular activities as well as the college.	1. The students volunteered along with the college staff to distribute sanitizers, masks, food packets and water bottles among the needy during the lockdown. This activity was conducted following the norms and rules of social distancing.	NSS Department
λ	Few Teachers were facing difficulty regarding the conduction of online lectures	1. Regular workshops and orientations were organized online for the teachers in case of technical difficulties with conduction of lectures online through Zoom, Google Meet, etc.	IT Department
Å	Alumni	-	-

Some Parents were concerned during the lockdown regarding the exams as well as the future of their wards.	 Online meetings were conducted with the parents and they were informed about the SPPU examination rules and norms during the social distancing period. Online career counselling sessions were conducted for the students as well as the parents which provided insights for skill development and job market trends. 	Exam Department
Few Employers suggested that the college should provide the students with internship opportunities so that they can cope up with the changing nature and demands of the industry.	1. After adapting to the new CBCS pattern, internships were made compulsory for all the students to gain credits.	All Departments
