Qualitative Feedback

Some teachers are pretty good.

But the office staff is very bad. No one is helpful. I had asked for a Letter of Recommendation so the letter of Recommendation they gave me had college email Id which college is not using and they did not had new letter pad. That was the worst impression of the college and the office staff said they still have to print it. This all thing came into knowledge when the Masters college I had applied for, had sent a mail to college for recommendation. When I asked the college about it then they said that, the email I'd mentioned there is not in use any more. College couldn't even afford to print the new letter heads!

Education techniques

It was more like a second home to me where teachers like Kalpana Ma'am, Gurmeet Ma'am, Avantika Ma'am, Uday Sir etc guided me in every point .
