GREEN CLUB - AY 2023-2024

Report on Water Audit

The Green Club had conducted a water audit from 5th March 2024 to 09th March 2024. The purpose of a water Audit was as follows:

1. To Identify the leakages of water and fix the leakages on the college campus.
2. To promote water conservation.
3. To identify the consumption of water on a college campus

Green Club had formed a group of students and allocated various departments to conduct a water audit wherein students were informed to identify the leakages of water, measure the leakage of water, and consumption of water on the college campus.

Students had prepared the questionnaire form to collect above mentioned information after collecting the data water leakages were repaired. This was one of the initiatives by the college to conserve water.
