Department of Computer Science

Report on

TYBSc(CS)/TYBBA(CA) Project Orientation Programme AY 2024-25

Introduction

The Department of Computer Science organized a Project Orientation Programme for the Third Year Bachelor of Science (Computer Science) and Third Year Bachelor of Business Administration (Computer Application) students for the academic year 2024-25. This is one credit course which helps for academic projects, research and data analysis.

Day 1: 7th August 2024

The project orientation commenced with an Introduction of Identification of problem statements, literature review, feasibility study, scope of project, objective of project, requirement analysis, performance requirement, security requirements, System model and model using OOSE.

Day 2: 8th August 2024

Second day session begins with Implementation of System, Output and Report Testing, Data Analysis and Conclusion.

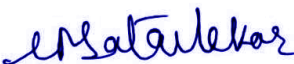

Outcomes of Project Orientation:

- Goal Clarity
- Role Definition
- Communication Channels
- Team Cohesion
- System Analysis and Design
- GUI Design
- Report generation

Conclusion:

The T.Y.B.Sc.(CS)/TY BBA(CA) Project Orientation Programme AY 2024-25 successfully completed the current year. The sessions conducted by experienced faculty members provided valuable insights and guidance, preparing students for a fulfilling and enriching project journey. The Department of Computer Science aims to continue supporting and nurturing students as they progress through their academic careers at MMCC.
