He also took practical sessions of some of the Yoga techniques. Students found this session very positive and energising. Total 30 students were present for the session.

Feedback

- **Positive Remarks:**

Students appreciated the detailed curriculum overview and the clarity on examination patterns.

The introduction to various student services was found to be very helpful.

The campus tour was considered informative and well-organized.

- **Suggestions for Improvement:**

Some students suggested more interactive activities to help them get to know their peers better.

Conclusion

The FYBCom Induction Programme successfully achieved its objectives of welcoming and orienting the new batch of students. The positive feedback from students indicates that the programme was beneficial and provided them with a good start to their college journey. Future programmes can build on this foundation, incorporating more interactive elements to further enhance student engagement.
