Report on "Green Club Induction Session"

21/08/2024

Introduction:

In accordance with the directives outlined in Savitribai Phule Pune University circular no. 2023-24/120 dated 20/09/2023, Marathwada Mitra Mandal's College of Commerce, Pune, officially established the Green Club. The Green club Induction Programme for the AY 2024 - 25 was conducted on 21st August, 2024 at 8:30 am and aims to promote environmental awareness, sustainability, and the conservation of natural resources. This initiative is a collaborative effort between the Maharashtra Government and UNICEF.

Objectives:

- (i) Promote environmental awareness among students and the community.
- (ii) Foster a culture of sustainability within and outside the college campus.
- (iii) Encourage active participation in the conservation of natural resource activities.
- (iv) Collaborate with local authorities and organizations for environmental initiatives.
- (v) Provide a platform for students to engage in eco-friendly practices and initiatives.

Conclusion:

The Induction of the Green Club signifies a pivotal step in Marathwada Mitra Mandal's College of Commerce's commitment to environmental sustainability. The event successfully raised awareness about the club's objectives and garnered support from the college community with the active involvement of students and faculty, the Green Club is poised to lead impactful environmental initiatives and contribute to a greener future. The club also guarantees to serve as a platform for individuals to come together, share ideas, and take collective action to create a more sustainable and environmentally conscious society. By fostering a sense of community and shared responsibility, these initiatives will have a significant impact on reducing environmental degradation and building a more resilient future for generations to come.
