GREEN CLUB

Report on "Tree Plantation"

01/08/2024

Green Club organized **Tree Plantation Drive** on 1st August, 2024. Under this drive students planted more than 200 saplings in college campus under the Guidance of Mrs Archana Kamthe, MMCC Jr. Science College Biology Faculty. Species of Medicinal and Flowering Plants were planted.

The objectives of the drive were as follows:

1. To plant trees on the college campus.
2. To increase awareness about the importance of trees and their role in the ecosystem.
3. To encourage students participation in environmental activities.

The tree plantation drive was a success, achieving its objectives and fostering a sense of Students involvement in environmental conservation. The trees planted will contribute significantly to the local ecosystem, and the event highlighted the importance of collective action in protecting our environment.
