“येथे बहतांचे हित”

Women? Are we at the edge of Ferocity!

Women’s safety remains a critical concern across the globe, with domestic violence, harassment, and assault frequently compromising their well-being. The prevalence of these issues underscores a systemic failure to protect women, often exacerbated by inadequate legal protections and insufficient support systems.

Recent high-profile cases have highlighted the stark reality of rape and sexual violence. Incidents such as the **Doctor rape of a young woman in Kolkata** and the **brutal harassment of a student in Badlapur** have ignited national outrage and demands for justice. These cases illustrate the pervasive nature of sexual violence and the systemic failures that often prevent perpetrators from facing consequences.

“Through Monarchy and Pain: Women’s Endless Strain”

Women’s suffering is deeply rooted in societal structures and historical practices. To grasp why women continue to face violence, abuse, and rape, it is crucial to examine two fundamental factors: the patriarchal system

and the historical context of gender-based violence. Historically, violence and rape against women are not modern issues but have deep roots extending back to monarchical times. During these eras, women

were often viewed as objects for men’s anger and desires. They were treated as commodities—sold for a few copper coins or awarded as prizes in war time. Despite advancements in democratic societies,

women continue to face severe oppression and abuse, highlighting the persistence of these deep-seated issues. Hence to stop this we need to fight against it

गुरुनी दिलेले ज्ञान तेच अमृताचे दान !

शाळेचा काळ अजूनही डोळ्यासमोर तरळतो,तासावर तास चालणारी शिकवणी, धाकात ठेवणारे शिक्षक आणि त्यांच्या शिकवणीत दडलेला जीवनाचा मंत्र. 'शिक्षक दिन' हा फक्त उत्सव नाही तर शिक्षकांच्या त्या अमूल्य देणगीची आठवण करून देणारा क्षण आहे.

गुरु शाळेत शिकवणारे असो की जीवनाच्या शाळेत,त्यांची शिकवण नेहमीच आपल्या सोबत असते. मला आठवतं एका धाकट्या शाळकरी मुलाने विचारलं होतं, गुरु म्हणजे काय? त्यावेळी माझ्या एका गुरुजींनी हसत उत्तर दिलं होतं, 'गुरु म्हणजे तुझ्या जीवनाचा मित्र आणि तुझ्या यशाचा वाटाड्या'. हे शब्द आजही आठवणीत आहेत. त्यांच्या हसण्यात दडलेला विश्वास

आणि बोलण्यात दडलेली शिकवण, मला माझ्या जीवनाचं सार उलगडून गेली. शिक्षकांचं जीवन आणि काम हे फक्त वर्गातल्या शिकवणीतच नाही तर त्यांच्या प्रत्येक कृतीत, प्रत्येक शब्दांत असतं. त्यांच्या शिकवणीने आपण फक्त अभ्यासातच नव्हे तर जीवनातही उत्तम आणि यशस्वी विद्यार्थी होतो. माझ्या एका शिक्षकाने मला एक गोष्ट शिकवली, 'आपण शिकतो ते ज्ञान फक्त गुणसंख्येत न मोजता जीवनाच्या कठीण प्रसंगात कसं ते उपयोगात आणतो हे महत्वाचं आहे'. आणि त्या शिकवणीमुळेच मला कधीही परीक्षेची भीती वाटत नाही. आणि मी जीवनाच्या प्रत्येक परीक्षेला धैर्याने सामोरे जाऊ शकते. याचा

आत्मविश्वास माझ्या मनात निर्माण झाला आणि तो आजवर टिकून आहे.

शिक्षण ही केवळ पुस्तकी ज्ञानाची गोष्ट नसून, ती जीवन जगण्याची कला आहे. शिक्षक दिन आपल्याला याची जाणीव करून देतो की, शिक्षक हे फक्त ज्ञान देणारे नाही तर जीवनाचे धडे देणारे असतात. त्यांच्या मार्गदर्शनामुळे विद्यार्थी केवळ विद्वानच नव्हे, तर एक चांगला माणूस म्हणूनही घडतो. शिक्षकांच्या सहवासात विद्यार्थ्यांचे व्यक्तिमत्व फुलते, विचारशक्ती विकसित होते. शिक्षक हे विद्यार्थ्यांच्या जीवनाचे शिल्पकार असतात. आपल्या अपयशातही यशाच्या दिशेने वाटचाल करायला प्रोत्साहन देऊन पुन्हा जिद्दीने उभं

राहायचं बळ निर्माण करतात.ते आपल्याला जगण्याची कला,विचारांची दिशा देतात. त्यांच्या कठोर शब्दातही आपल्यासाठी प्रेम दडलेलं असतं. शिक्षक दिन हा फक्त उत्सव किंवा सोहळाच नाही तर शिक्षकांच्या अपार मेहनतीला सलाम करण्याचा दिवस आहे.गुरूंच्या मार्गदर्शनाशिवाय आपण जीवनाची वाटचालच करू शकत नाही. त्यांच्या मार्गदर्शनातून मिळालेलं ज्ञान हीच खऱ्या अर्थाने आपल्या जीवनाची शिदोरी असते.

MJMC Alumni return , Students learn

Principal Golhar sir warmly welcomed the students at the induction program, offering words of wisdom to guide their journey ahead.

The induction program, held from August 20 to August 23, 2024, commenced with a compelling session led by Abhijit Atre ,Associate Resident Editor of the Times of India, and Dr. Devidas Golhar our Principal, who served as the chief guests. The student of Journalism and Mass Communication felicitated the guest. Atre sir’s inaugural address focused on finding happiness through hard work and passion, regardless of financial status. He also discussed how modernization and AI are transforming the world, underscoring the importance of adapting to these change. Next our principal outlined the recent changes in education policy and how our college will adapt to these changes.

“The goal is to leverage the new policy to enhance

teaching and learning, ensuring we make the most of opportunities it presents.’ said Golhar sir.

The following days were marked by contributions from more distinguished MJMC alumni:

The second day (21st august) featured Siddharth Kelkar, Resident Editor of LokSatta, who explored the evolution of news dissemination. Kelkar highlighted that while the medium of delivering news has shifted more from print to digital, the essence of the news remains unchanged. His session provided valuable insights into the ongoing transformation in the media landscape.

On the third day (22nd August) Prathamesh Joshi, a political communication and digital media consultant, shared his journey from MMCC to success. He emphasized

the importance of being data-oriented in today’s media environment, where accurate information is crucial amidst widespread misinformation and a how media person should be **‘-Master of one and jack of all’**

The fourth day (23 August) welcomed Vasundhara Kashikar , a freelancer, journalist, narrator, interviewer, and translator. Kashikar provided guidance on becoming an effective media anchor, outlining essential do’s and don’ts. She also highlighted the advantages of mastering multiple languages, noting that proficiency in languages can open lucrative opportunities in translation work.

Throughout the program, each session evolved into interactive conversations between students and guests.
