DEPARTMENT OF BUSINESS ADMINISTRATION

Report On Guest Lecture On "Growth Mindset"

**Date:** 13/11/2024

**Time:** 09:00 am to 11:00 am

**Venue:** Sant Dnyaneshwar Hall, Central Building

On Day 3 of the Induction Program for the First-Year Bachelor of Business Administration (BBA) and International Business (IB) students was enriched by an insightful guest lecture on the topic "Growth Mindset", delivered by Dhanshree Ghare. The session was aimed at introducing students to the concept of a growth mindset and how it plays a crucial role in shaping personal and academic success, particularly during their transition into higher education.

**Objective:**

The guest lecture started off with defining the concept of a *growth mindset*. The speaker explained that it is the belief that abilities and intelligence can be developed through dedication, hard work, and perseverance, as opposed to a *fixed mindset* where individuals believe their talents are innate and unchangeable.

**Observation:**

Dhanshree Ma'am highlighted how adopting a growth mindset can enhance academic performance by fostering resilience in the face of setbacks. She shared strategies for dealing with failure, urging students to view failures as learning experiences that help improve their skills and knowledge.

She also emphasized the importance of developing a positive attitude towards learning, focusing on continuous self-improvement, and not being afraid to ask questions or seek help when needed.

To engage students, ma'am conducted a series of interactive activities that encouraged them to reflect on their own mindset. Students shared personal experiences where they succeeded through perseverance and where they learned from past mistakes.

This allowed the students to connect with the concept on a deeper level, fostering self-awareness and motivation.

**Key Outcome:**

The session ended with a Q&A session where students had the opportunity to ask questions about applying growth mindset in various situations. Total \_ students attended the lecture.

The guest lecture proved to be highly impactful for the students. It not only provided them with practical tools to adopt a growth mindset but also motivated them to approach their academic

journey with a positive attitude and resilience. The students were encouraged to embrace challenges, learn from failures, and continuously strive for personal and academic growth.
