Report on Mathematical Model Competition

Date: 14th December 2024

Event: Mathematical Model Competition

Co-ordinated by: Asst. Prof. Snehal Borkar and Asst. Prof. Reshma Awati

Total Participants: 169 Students (FYBBA & FYBBA-IB)

The Mathematical Model Competition, held on 14th December 2024, was an exciting and intellectually stimulating event for the FYBBA and FYBBA-IB students. A total of 169 students participated, showcasing their creativity, analytical skills, and deep understanding of mathematical concepts.

The models were judged by Mrs. Deepali Kapre (Assistant Teacher) and Mr. Kaustubh Sonawane (Assistant Professor). The event was graced by the Principal Dr. Ganesh Patare and Head of the Department (HOD) Dr. Ashwini Kulkarni, who provided their valuable support and encouragement to the students. The event also saw the presence of several faculty members and HOD's of different departments who actively engaged with the students during the event.

Winners:

The competition witnessed intense participation and competitive spirit, and the following students emerged as the winners:

- **First Prize:** Rajat Tiwadi, Ayush Bagul, Ayush Yadav, Mayuresh Bharote (FY-IB)
- **Second Prize:** Gauri Andhare, Tanisha Joshi, Vaibhavi Narwade, Khushi Ajmera (FYBBA)
- **Third Prize:** Krishna Bajaj, Charu Jain, Param Nagar, Om Sapate (FY-IB)
- **Consolation Prize:** Sambhaji Gaikwad, Aviraj Ghaytidak, Revanth Kaspas, Abhijeet Sangle, Lalit Sonawane (FYBBA)

The winners were recognized for their innovative mathematical models, clear presentation, and effective problem-solving approaches.

The Judges, Principal sir and HOD mam addressed the students, commending them for their enthusiasm and hard work. They emphasized the importance of mathematical thinking and

problem-solving in the modern world, encouraging students to continue honing these skills for their academic and professional growth.

The event was a resounding success, with students not only competing but also learning valuable skills in mathematical modelling and analytical thinking. It provided a platform for FYBBA and FYBBA-IB students to showcase their talents, and it successfully fostered a spirit of healthy competition and intellectual growth.
