### MMCC Cyber Security Cell

#### Report on - PowerPoint Presentation Competition

To observe "Cyber Jagrookta Diwas" (Cyber Awareness Day), MMCC Cyber Security Cell organized a PowerPoint Presentation Competition on 1<sup>st</sup> October 2024. Around 20 students participated in this competition. Competition was judged by Adv. Renu Pote from BMCC College.

The topics for the PowerPoint Presentation Competition were:-

1. Prohibitory laws for Cyber Security
2. Safeguarding Digital Assets
3. Cryptography Techniques

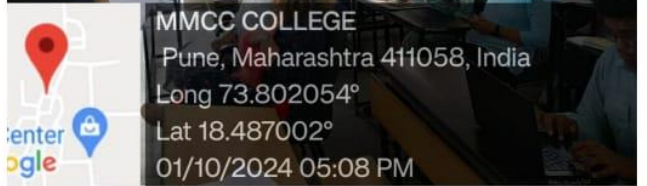

The **PowerPoint Presentation Competition** was organized to engage participants in showcasing their understanding of cybersecurity topics and their ability to communicate them effectively. The competition aimed to raise awareness about the growing importance of cybersecurity in the modern digital landscape and encourage creative solutions to emerging cyber threats.

The event was open to individuals or teams, with a focus on presenting innovative, practical, and well-researched cybersecurity solutions. Presentations ranged from understanding the basics of cyber threats to the latest trends and technologies used to combat cybercrime.

#### Objectives:

The primary objectives of the competition were:

- To enhance awareness and knowledge of cybersecurity practices and trends.
- To foster creativity in designing and presenting solutions for real-world cybersecurity challenges.
- To provide a platform for participants to showcase their skills in cybersecurity research, analysis, and communication.

## PowerPoint Presentation Competition Winners:

### First Place:

- Harsh Shah - S.Y.B.Com
- Banashree Banerjee - S.Y.B.Com

### Second Place:

- Swapnita Kendre - T.Y.BBA(CA)
- Bharti Dhobale - T.Y. BBA(CA)

### Third Place:

- Tanvi Gholap - S.Y.B.Sc.(CS)
- Rasika Misal - S.Y.B.Sc.(CS)

### Outcomes:

The competition successfully achieved its goal of promoting cybersecurity awareness and innovation. It brought attention to the critical role cybersecurity plays in protecting digital infrastructures, with many participants proposing cutting-edge solutions to emerging cyber threats.

It also educated the audience about the legal framework that governs cybersecurity and the laws designed to protect individuals, organizations, and governments from cyber threats.

Presentations on cryptographic techniques highlighted the significance of cryptographic techniques and how they are implemented in various security applications.

The winning presentations demonstrated a high level of creativity, technical expertise, and communication skills, and we look forward to seeing these future cybersecurity leaders making a significant impact in the field.
