GREEN CLUB

Report on "Exhibition on Compositing Methods and Varieties of Seeds"

Date: 04/01/2025

Time: 11.00 am

Venue: Green Club, MMCC

Green Club had arranged an "Exhibition on Compositing Methods and Varieties of Seeds" in Collaboration with Maharashtra Vruksha Savradhini, NGO.

Objective : The purpose of the Exhibition was to make students aware of organic composting methods, the importance of Seeds, Grasses , the process of making Disinfect, and sustainability.

Observation: The exhibition showcased varieties of seeds, grasses, organic composts, etc. The resource person, Mrs. Priya Bhide, a Member of Maharashtra Vruksha Savradhini, explained sustainable development through the exhibition. Encouraged the students to collect seeds and submit them to Maharashtra Vruksha Savradhini for sowing.

Outcome: Students understood the process of preparing organic disinfectant and its importance to the environment, varieties of seeds and their importance, useful grasses for animals, and methods of composting.
