Report on Chess Competition

Objectives:

The primary objectives of the Chess Competition held on January 31, 2025, were:

1. To promote strategic thinking, concentration, and problem-solving skills among students.
2. To create a platform for students to showcase their chess abilities in a competitive environment.
3. To encourage fair play, sportsmanship, and adherence to rules and regulations.
4. To identify and recognize talented chess players within the student community.

Observations:

- **Participation:** A total of 6 students participated in the competition, with enthusiasm and readiness to compete.
- **Event Management:** The event was well-organized, with participants reporting punctually at 7:30 am, Classroom no. 301.
- **Conduct:** All participants adhered to the rules, with no incidents of malpractice reported. The competitive spirit was commendable, and the games were played fairly and professionally.
- **Referee's Role:** The referee maintained strict control over the event, ensuring that all rules were followed. The referee's decisions were final and upheld without objections.
- **Coordination:** Student coordinators Tanish and Harshada effectively managed queries and provided support throughout the event.

Key Outcomes:

1. **Winner:** Siddhant Thorat emerged as the winner of the competition, showcasing exceptional strategic skills and game sense.
2. **Skill Development:** The competition provided participants with an opportunity to enhance their chess strategies and critical thinking abilities.
3. **Sportsmanship:** The event fostered a spirit of healthy competition and fair play among the students.
4. **Engagement:** The event received positive feedback from participants, reflecting their interest in future chess competitions.
5. **Successful Execution:** The event was conducted smoothly, with all logistical aspects effectively managed, contributing to its overall success.

Competition organised by Asst. Prof. Reshma Awati and coordinated by Asst. Prof. Snehal Borkar.
