Report on Guest Lecture “STOCK MARKET”

Date : Thursday, 20th March, 2025
Topic : “STOCK MARKET”
Speaker: Mr. Ajit Kalambarkar
Time : 10.00 a.m.
Venue : Auditorium (Dnyaneshwar hall)

On 20th March 2025, a guest lecture was organized by Department of Business Administration on the topic “**Stock Market**”, featuring **Mr. Ajit Kalambarkar** as the distinguished speaker. The session aimed to provide valuable insights into the workings of the stock market, its importance in investment, and various technical aspects associated with trading.

Summary of the Lecture Introduction to Stock Market

Mr. Kalambarkar explained that the stock market serves as a platform for buying and selling financial securities. It plays a crucial role in economic growth by facilitating capital formation.

Overview of NSE and BSE

- **National Stock Exchange (NSE)**: India’s largest stock exchange known for its benchmark index, **Nifty 50**.
- **Bombay Stock Exchange (BSE)**: The oldest stock exchange in Asia, recognized for its **SENSEX** index.

Types of Charts and Candlestick Patterns

The lecture covered different types of charts used in market analysis:

- **Line Chart**: Displays closing prices over time.
- **Bar Chart**: Shows open, high, low, and close prices (OHLC).
- **Candlestick Chart**: Used for technical analysis with bullish (green) and bearish (red) indicators.

How the Stock Market Works

The speaker discussed how the stock market functions, covering aspects like stock price fluctuations, external market factors, and supply-demand dynamics.

Importance of Investment in the Stock Market

The session emphasized:

- The power of **compounding and long-term investments**.
- The need for **portfolio diversification**.
- Investing as a hedge against **inflation**.

What is a Demat Account and How it Works

- A **Demat account** is essential for storing stocks electronically, eliminating physical certificates.
- Investors can open a Demat account through banks and brokers to facilitate seamless trading.

Objective of the Guest Lecture

The primary objective of the guest lecture was to provide students with a comprehensive understanding of the **stock market**, its functioning, and its significance in investment and financial growth. The session aimed to equip attendees with knowledge about stock exchanges, technical analysis tools, investment strategies, and the role of Demat accounts in trading.

1. **Understanding Basic Concepts of Stock Market:** Mr. Kalambarkar explained fundamental concepts such as equity shares, debt instruments, derivatives, and capital markets.
2. **Knowledge of SEBI Regulations:** The session detailed the role and functions of the Securities and Exchange Board of India (SEBI) in regulating stock exchanges and protecting investors.
3. **Operations of the Stock Market:** The guest speaker elaborated on primary and secondary markets, order placement, trading cycles, and market indices.
4. **Practical Use of Demat and Trading Apps:** Mr. Kalambarkar provided insights into opening a Demat account, the role of brokers, and the use of various online trading applications

Observations Made

During the session, several critical insights were observed:

- Many attendees had a basic understanding of the stock market but lacked knowledge of **technical analysis** and **investment strategies**.
- The concept of **candlestick patterns** and different types of charts sparked significant interest, leading to engaging discussions.
- The importance of **long-term investment** and the role of **compounding** were key takeaways for most participants.

The lecture concluded with a lively **Q&A session**, where Mr. Kalambarkar addressed various queries from students. **The session was attended by 100 students**, actively engaging in the discussion. The session provided invaluable insights into stock market investments and financial planning, making it an enriching experience for all participants.

Overall, the guest lecture was highly informative, offering a comprehensive understanding of the stock market and its various components. It served as an excellent learning experience for all attendees.

Outcome of the Guest Lecture

The lecture successfully met its objectives and had a profound impact on the attendees. Key outcomes included:

- **Enhanced Knowledge:** Participants gained a solid understanding of how the stock market operates, including **NSE, BSE, stock trading, and technical analysis**.
- **Investment Awareness:** Attendees recognized the importance of investing in the stock market for **financial growth and wealth creation**.
- **Practical Learning:** The demonstration of **chart analysis and candlestick patterns** helped participants grasp technical trading concepts effectively.
- **Encouragement for Further Learning:** The session motivated many students to explore stock market investments and **open Demat accounts** to start their investment journey.
