Report on Guest Session on 'Prospects in Aviation'

Introduction:

A Guest Session on 'Prospects in Aviation' was delivered by Ms. Ikneet Kaur, Founder and Director, Poise Aviation. The session was conducted to create awareness among students about the wide-ranging **career opportunities** available in the aviation industry.

Date: 25th July, 2025

Time: 09:30 am

Venue: Dnyaneshwar Hall

Objective:

- To introduce students to the various career avenues in the aviation industry.
- To provide insights into the qualifications, skills, and training required for careers in aviation.
- To inspire students by sharing real-life success stories of aviation professionals.
- To guide students on how to take the first step toward building an aviation career.

Highlights:

The session focused on career opportunities available to the new entrants in the aviation sector. She also provided detailed information about various roles, including **cabin crew, ground handling staff, airport operations, and customer service executives**. She also provided information regarding **eligibility criteria, training requirements, and growth prospects** in the aviation sector. It was an interactive session with experts from the institute who shared valuable **tips on grooming, personality development, and communication skills**.

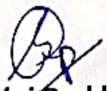

Inspiring stories of **bright students** who have successfully secured positions in renowned airlines were shared, providing a motivational boost to the attendees. The session concluded with a lively **question-and-answer session, during which students enthusiastically participated** in the discussion.

Ms. Ikneet Kaur and the Team are representing the session and interacting with the students

Key Outcome:

The lecture was highly informative and motivational. Students expressed appreciation for the exposure and expressed interest in exploring aviation courses and internships. The event fulfilled its objective of bridging the gap between presumptions about the aviation industry and actual working in the industry. In all, 90 students attended the guest lecture.
