Department of Computer Applications
Report on “Mystic Winter Chronicles”

1. **Nature of the event:** Art and Craft, creativity based event.

2. **Title of the event:** Mystic Winter Chronicles

3. **Organized by:** Department of Computer Applications

4. **Date:** Tuesday, 23rd December 2025

5. **Time:** 11:30 AM – 1:30 PM

6. **Venue:** Dnyaneshwar Hall Corridor

7. **Resource Person:** Ar. Preeti Joglekar

8. Objectives of the Program:

The primary objective of organizing this event were:

1. To welcome winters with fun and creativity.
2. To help the students unwind & connect with their college, department, teachers & classmates giving them a chance to know each other better.
3. To boost communication skills, decision-making ability & allowing them to blend with college culture.
4. To develop time management skills.
5. To prepare students and to make them understand the importance of teamwork, speaking and reasoning with confidence.

9. Audience:

The event was specifically organized for students of **FY BBA(CA)** and **SY BBA(CA)**, to give them a chance to know the events organized in the college and the college culture, and to give them a chance to know each other better as they are supposed to be actively involved in events and activities organized in the college. The event was an attempt to enrich their teamwork, communication skills, time management and enhance their engagement in the co-curricular events here at our college.

10. Number of Participants:

A total of 95 participants actively participated in the event, contributing to its overall success.

11. Brief description of the event:

Knowing about the college culture as being a part of it is mandatory for the students as it allows the students to understand how college functions and the rules and regulations to be followed. It is also necessary that the students know each other better and have a strong sense of belongingness to their

specific classmates as it promotes unity among them. Recognizing its importance, the event was organized to give the students a chance to unwind and get to know each other better while focusing on creativity, fun, communication and time management as well.

The session began with organized seating of participants and allowing them ample time to create theme based art and crafts which were divided into categories. The themes of the event were decided keeping in mind the modern series as students find it interesting and engaging.

As soon as the students completed their respective work the event then welcomed respected principal Dr. Kishor Nikam Sir and the esteemed judge of the event Ar. Preeti Joglekar Ma'am.

The session emphasized the importance of confident speaking, time management, teamwork, communication and undertaking responsibility among students. Students were encouraged to actively participate in co-curricular activities and events that enhance skills, reasoning, creativity, and innovation. The interactive nature of the event allowed students to work in teams and bond with each other promoting unity amongst them.

12. Learning Outcome:

The organized event resulted in several positive outcomes:

- Students enjoyed the event, expressed gratitude for organizing the activities and had fun throughout the event.
- Students learnt time management, teamwork, built communication skills and closely experienced how events are managed.
- The session helped in building confidence among students to handle challenging situations in real life.
- The interaction of students with the judge and principal encouraged them to communicate with confidence.
- The event overall cultivated communication skills, time management, teamwork and the importance of confidence and believing in themselves.

13. Photographs:

14. Feedback:

Students expressed that they enjoyed the event while also learning from the event the basic and most important soft skills required for every individual like communication - to explain their work and their inspiration as to why they chose the specific theme and category, teamwork - which allowed them to coordinate with their respective team members, time management - as they had to complete the work in the allotted time. New students embraced the college vibe, built bonds & sparked collaborations.

15. Acknowledgement:

The success of the event was made possible by the collective efforts of many individuals. The Department extends its deepest gratitude to:

- **Principal Dr. Kishor Nikam** for gracing the event despite his busy schedule, sparing his valuable time, sharing his expertise, and motivating the students with his insightful talk.
- **Head of Department, Prof. Nidhi Satavlekar**, for her constant encouragement, support, and guidance in planning and executing the event.
- The **student volunteers worked** with enthusiasm, dedication, and teamwork in handling decoration, registrations, seating arrangements, and technical support, ensuring the smooth flow of the event.
- All the **faculty members** of the Department of Computer Applications for their presence and cooperation.
