Green Club

Report on “Visit to Botanical Garden at Fergusson College”

Nature of the event: Educational Visit

Title of the event: Visit to Botanical Garden

Organized by: Green Club

Date: Monday, 9th February 2026

Time: 8:00 am

Venue: Botanical Garden, Fergusson College, Pune

Resource Person: CA Sunil Bhide

Objectives of the Program:

- To provide information about various species of medicinal and indigenous plants.
 - To create awareness about the importance and conservation of plant biodiversity.
 - To encourage environmental responsibility among students through volunteering activities.
-

Audience: Green Club Members and Students

Number of Participants: 53

Brief Description of the Event:

The Green Club of MMCC organized an educational visit to the Botanical Garden at Fergusson College on Monday, 9th February 2026. The primary objective of the visit was to familiarize students with different species of medicinal and indigenous plants and to understand their ecological and environmental significance.

During the visit, students explored various sections of the garden and gained practical knowledge about plant varieties and their uses. As part of the activity, students also volunteered in the garden, contributing their efforts towards maintenance and environmental care.

The visit proved to be an informative and meaningful experience for all participants, enhancing their awareness about biodiversity and sustainable environmental practices.

Learning Outcome:

- Students gained knowledge about medicinal and indigenous plant species.
 - Enhanced understanding of biodiversity conservation.
 - Developed a sense of environmental responsibility through hands-on volunteering.
-

Photographs:

Feedback:

Students expressed that the visit was highly informative and enriching. They appreciated the opportunity to learn outside the classroom and actively participate in environmental activities.

Acknowledgement:

The Green Club extends its sincere gratitude to Principal Dr. Kishor Nikam Sir for his constant support and encouragement. Special thanks to Dr. Ganesh Patare Sir, Academic Coordinator, for his valuable guidance. The Club also appreciates the cooperation and active participation of all Green Club members in making the visit successful.
