Report on “Financial Awareness and Planning: Your Roadmap to a Secure Future”

- **Nature of the Event:** Guest Session
- **Title of the Event:** Financial Awareness and Planning: Your Roadmap to a Secure Future
- **Organised by:** Department of Commerce, MMCC
- **Date:** 14/03/2026
- **Time:** 10:00 a.m. to 11:00 a.m.
- **Venue:** Hall No. 4
- **Resource Person:** Dr. Nagnath Adinath Mane
- **Objectives of the Program:**
 - To create awareness about financial planning and its importance in personal life.
 - To guide students on budgeting, saving, and investment strategies.
 - To develop understanding about credit scores and financial discipline.
 - To educate students about financial frauds and safe financial practices.
 - To encourage students to take informed financial decisions for a secure future.
- **Audience:** B.Com Students
- **Number of Participants:** 97
- **Brief Description of the Event:**

The Department of Commerce successfully organised a guest session on “Financial Awareness and Planning: Your Roadmap to a Secure Future” for B.Com students. The session provided valuable insights into essential financial concepts required for effective personal financial management. It began with highlighting the power of budgeting as a financial game plan, enabling individuals to manage their income and expenses systematically. The speaker emphasised the importance of saving as the foundation of financial security, especially for handling future uncertainties and emergencies. Students were also guided on understanding credit scores and their impact on financial credibility and loan eligibility. The session further introduced the basics of investing, explaining how individuals can grow their wealth over time through informed investment decisions.

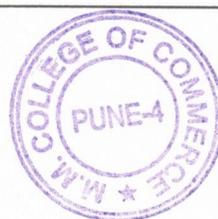

Dr. Mane explained the concept of financial planning in a simple and practical manner, helping students understand how to manage their finances effectively. A total of 97 students actively participated in the session. The session was highly interactive and informative, providing practical insights into personal financial management.

● **Learning Outcomes:**

- Students gained fundamental knowledge about financial planning and money management.
- They understood the importance of budgeting, saving, and investing.
- Students became aware of credit scores and financial discipline.
- They developed awareness about financial frauds and safe financial practices.
- Students were motivated to plan their finances for a secure future.

● **Photographs:**

- **Feedback:**

The feedback from students was highly positive. Participants appreciated the informative content, practical insights, and real-life examples shared during the session. The session was considered highly relevant and beneficial for their financial awareness and future planning.

- **Acknowledgement:**

The Department of Commerce extends its heartfelt gratitude to **Principal Dr. Kishor Nikam** and **HOD Dr. Ganesh Patare** for their constant guidance and support. The program was successfully organised and coordinated by Asst. Prof. Yogita Renuse.. Sincere thanks are also extended to all faculty members and student volunteers for their cooperation and smooth execution of the event.
