- 4. Time:** 10:30 a.m. onwards
- 5. Venue:** College Campus
- 6. Objectives of the Program:**
  - To enhance problem-solving and analytical thinking skills.
  - To encourage teamwork, coordination, and strategic planning.
  - To promote active engagement and interactive learning beyond the classroom.

**7. Audience:**

The competition was organized for students of FY/SY/TY BBA and BBA-IB.

**8. Number of Participants:**

A total of 125 participants actively participated in the competition.

**9. Brief description of the event:**

The Department of Business Administration organized an exciting Treasure Hunt Competition to foster teamwork and critical thinking among students. The event went on for two days. On day one students participated in qualifying rounds that consisted of relay race, time-based challenge rounds and logical challenges to proceed to the next stage.

On day two, all the qualified groups were given multiple clues which were strategically placed across the campus that required the participants to solve puzzles, riddles and finally locate the treasure.

Students participated enthusiastically in teams, demonstrating strong coordination and quick decision-making skills. The clues were designed to test observation skills, reasoning abilities, and presence of mind. The competitive yet fun-filled environment created excitement throughout the campus.

The event concluded with the declaration of winners and appreciation for all participants for their energetic involvement. Students from SYBBA were able to crack the code and

reach the final treasure. Rohit Choudhary, Yashpal Balawat, Gansesh Marathe, Om Kadam and Niranjana Purohit were declared as winners.

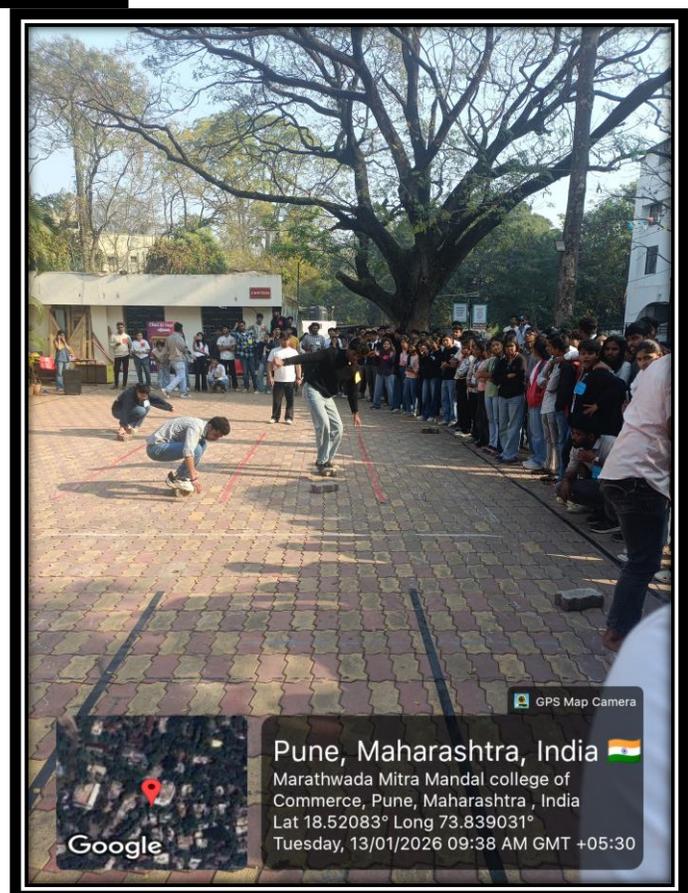

### 10. Learning Outcome:

- Students enhanced their problem-solving and analytical skills.
- The competition strengthened teamwork and communication.
- Participants developed time management and decision-making abilities.
- The event promoted creativity and collaborative learning.
