Department of Computer Application
Report on Guest Session on “Women in AI : Skill and Employability”

1. **Nature of the event:** Guest Session
2. **Title of the event:** “Women in AI : Skill and Employability”
3. **Organized by:** Department of Computer Application, in association with the Training and Placement Cell
4. **Date:** Saturday, 18th July 2026
5. **Time:** 12:00 p.m. to 1:00 p.m.
6. **Venue:** Hall No. 4
7. **Resource Person:** Mr.Manishankar Dey, AI Trainer, Nirmaan Organisation
8. **Objectives of the Program:**
 - To create awareness among girl students about Artificial Intelligence and its applications.
 - To encourage girl students to explore career opportunities in AI and emerging technologies.
 - To familiarize participants with the technical, analytical, and employability skills required in the AI industry.
 - To inspire confidence and promote greater participation of women in Artificial Intelligence and related fields.
 - To bridge the gap between academic learning and industry expectations.
9. **Audience:** Girl students of the Department of Computer Application.
10. **Number of Participants:**

A total of **52** students actively participated in the Empowering Women through AI Skills and Career Opportunities guest session, making the program highly engaging and successful.

11. Brief description of the event:

The Department of Computer Application, in association with the Training and Placement Cell, organized a guest session titled "**Women in AI: Skill and Employability**". The resource person, **Mr. Manishankar Dey**, AI Trainer, Nirmaan Organisation, shared valuable insights into the rapidly evolving field of Artificial Intelligence and its impact on various industries. He emphasized the

increasing role of women in AI and encouraged students to confidently pursue careers in emerging technologies. The session covered essential technical skills, problem-solving, critical thinking and continuous learning as key employability competencies. The speaker also discussed industry expectations, internship opportunities, AI certifications, and career pathways available for aspiring professionals. Students actively participated throughout the session and interacted with the resource person during the question-and-answer segment, making the session engaging and informative.

12. Learning Outcome:

The guest session achieved its intended goals and resulted in several positive outcomes:

- Participants gained an understanding of the fundamentals and career opportunities in Artificial Intelligence.
- Girl students became aware of the skills and competencies required to build successful careers in AI.
- Students recognized the importance of continuous learning, certifications, internships, and project-based experience.
- The session enhanced participants' confidence to explore opportunities in technology and innovation.
- Students were motivated to prepare themselves for future employment through skill development and industry-oriented learning.

Felicitation of the resource person, Mr. Manishankar Dey, by the HOD and TPO

Girl students of TYBBA (Computer Application) attending the guest session

14. Feedback:

The participants appreciated the informative and inspiring session. Girl students found the career guidance and industry insights highly relevant and motivating. The practical examples shared by the resource person enhanced their understanding of Artificial Intelligence and employability skills. Students expressed their interest in attending more women-focused technology and career development programs.

15. Acknowledgement:

The Department of Computer Application sincerely thanks **Mr. Manishankar Dey**, AI Trainer, Nirmaan Organisation, for delivering an insightful guest session on "**Women in AI: Skill and Employability.**" The department also expresses its gratitude to **Dr. Kishor Nikam**, Principal, **Prof. Nidhi Satavlekar**, Head of the Department, **Dr. Sushil Gangane**, Placement Coordinator, **Prof. Samarth Ambekar**, Training and Placement Officer, and **Prof. Meenal Kabra**, Departmental Placement Coordinator, for their valuable guidance and support in organizing the programme. Appreciation is also extended to all faculty members, the organizing team, and the participating girl students for their enthusiastic participation and contribution to the success of the event.
