NOTICE IndiaSkills Competition 2026-27

All diploma and degree students are hereby informed that registrations for the **IndiaSkills Competition 2026-27** are now officially open. Organized by the National Skill Development Corporation (NSDC) and the Maharashtra State Skill Development Society (MSSDS), this premier skill competition acts as a stepping stone toward representing India at the prestigious global **WorldSkills Competition**.

Selection rounds will be conducted across District, Division, and State levels. Top-performing candidates from these rounds will advance to the national competition in 2027.

Eligibility Criteria & Age Limits : Age limit is the primary eligibility requirement for participation:

- **General Skills (56 Sectors):** Born on or after **January 1, 2003**.
- **Specific Team Skills:**
 - **Born on or after January 1, 2003:** Cyber Security, Industry 4.0, Mechatronics, and Robot Systems Integration.
 - **Born on or after January 1, 2006:** Autonomous Mobile Robotics, Concrete Construction Work, and Landscape Gardening.

Registration Details

Interested and eligible students must register online via the official portal:

- **Portal Link:** www.skillindiadigital.gov.in
- **Participation Modes:** Individual and Team entries are available depending on the skill category selected.

Students are strongly encouraged to register at the earliest to showcase their technical talent at state, national, and international stages. For assistance or detailed user manuals, please contact the institutional coordinator or visit the college notice board.
