Department of Computer Science

Report on Python for Machine Learning , HTML and CSS Courses Under IIT Bombay Spoken Tutorial

- **Nature of the Event:** Technical Session
- **Title of the Event:** Machine Learning , HTML and CSS Courses
- **Organised by:** Department of Computer Science and IIT Bombay Spoken Tutorial
- **Course conducted Date:** 1st July to 30th Oct, 2026
- **Examination Date:** 28th Sept to 3rd Oct 2026
- **Venue:** BSc Lab, MMCC
- **Objectives of the Program:**
 - To create awareness about the IIT Bombay Spoken Tutorial Programme and promote digital learning initiatives.
 - To provide students with practical knowledge of Python for Machine Learning , HTML and CSS
 - To enhance students' digital knowledge and technical skills through hands-on learning.
 - To encourage students to utilize online learning platforms for skill development and employability.
 - To motivate students to earn an industry-recognised certification from IIT Bombay.
- **Audience:** [B.Sc](#)(CS) Students
- **Number of Participants:** 387
- **Brief Description of the Event:**

The Department of Computer Science at Marathwada Mitra Mandal's College of Commerce (MMCC), Pune, successfully organised the IIT Bombay Spoken Tutorial Course and Online Examination for the Python for Machine Learning , HTML and CSS courses.

Students who successfully completed the online training appeared for the online examination in batches according to the scheduled timetable at the Law Department Laboratory. The examination was conducted under the guidance of the IIT Bombay Spoken Tutorial Project to evaluate students' practical knowledge and understanding of the respective course concepts using open-source software.

The initiative provided students with an excellent opportunity to strengthen their technical skills and earn an industry-recognised certification from IIT Bombay. This certification enhanced their technical competencies, increased their employability, and encouraged them to pursue further learning in open-source technologies.

- **Learning Outcome:**

- Students developed a strong understanding of **Python for Machine Learning , HTML and CSS**
- Students gained practical knowledge of Latest Technology Machine Learning.
- Participants enhanced their hands-on skills through structured online tutorials and practical exercises using open-source technologies.
- Students earned an industry-recognised certification from IIT Bombay, strengthening their technical credentials and improving their employability.
- The program encouraged self-paced learning and familiarised students with open-source software and industry-relevant technologies.

- **Photographs:**

Sample Copy of Certificate

- **Feedback:**

The participants expressed positive feedback regarding the **Python for Machine Learning , HTML and CSS Examination** and appreciated the opportunity to gain practical experience in graphic design and image editing through the IIT Bombay Spoken Tutorial Programme. Students found the hands-on training and certification valuable for enhancing their digital skills, creativity, academic profile, and employability.

- **Acknowledgement:**

The Department of Computer Science , Marathwada Mitra Mandal's College of Commerce (MMCC), Pune, expresses its sincere gratitude to everyone who contributed to the successful conduct of the **IIT Bombay Spoken Tutorial**

- **Principal Dr. Kishor Nikam** for sparing his valuable time, sharing his expertise, and motivating the students with his insightful talk.
- **Head of Department Dr. Rajeshwari Biradar, Dr. Punam Shinde** for her constant encouragement, support, and guidance in planning and executing the session.
- **Prof. Reshma Ladda, Prof. Charushila Nigudkar and Prof. Nikita Gadhave** for their meticulous planning and tireless efforts.
