9. **Brief description of the event:**

The Department of Business Administration organized a guest session on “Campus to Corporate: Learn. Grow. Lead” on 30th September 2026 for the students of the BBA

and BBA-IB programs.

The session aimed to bridge the gap between academic learning and corporate expectations by familiarizing students with the professional environment and the skills required to succeed in the corporate world.

The session focused on helping students understand the transition from campus life to professional life. The importance of workplace discipline, professional ethics, effective communication, teamwork, adaptability, and a positive attitude was highlighted. Students were encouraged to understand that success in the corporate sector requires not only academic knowledge but also practical skills, confidence, and the ability to work collaboratively.

The session also emphasized the importance of developing employability skills, maintaining professional conduct, managing time effectively, and being open to continuous learning. Students were encouraged to take advantage of academic activities, internships, presentations, group projects, and other learning opportunities to enhance their professional readiness.

The session provided students with valuable insights into corporate expectations and encouraged them to take a proactive approach towards their personal and professional development. It served as an important step in preparing students for future career opportunities by helping them recognize the importance of aligning their academic learning with industry requirements.
