- Mrs. Ashwini Gaikwad – Amaldar, Deccan Police Station
- Ms. Janhavi Prabhudesai – Neuro Yoga
- Ms. Neha Ratnakar – Your Image: Your Impact

8. Objectives of the Programme:

- To welcome first-year students and familiarise them with the college and department.
- To provide students with awareness about emerging technology and AI-based career opportunities.
- To develop essential life skills and promote personal well-being.

M.M.C.C. College of Commerce Pune - 4

- To create awareness about prevention of ragging, student safety, and responsible behaviour.
- To help students understand academic expectations and opportunities.
- To motivate students towards healthy living, self-development, and effective personality development.

9. Audience: First-year BBA(CA) students of the academic year 2026–27.

10. Number of Participants:

- First-Year BBA(CA) 119 students participated in the Induction Programme.

11. Brief Description of the Event:

Day 1 – 24th September 2026
Topic: Next Gen Tech Careers: Preparing for the AI Era
Resource Person: Mr. Atul Kahate

The first day of the Induction Programme focused on "Next Gen Tech Careers: Preparing for the AI Era." Mr. Atul Kahate addressed the first-year BBA(CA) students and introduced them to the changing technological environment and the growing importance of Artificial Intelligence. The session aimed to help students understand the relevance of emerging technologies in future careers and encouraged them to prepare themselves for the evolving demands of the technology-driven professional world. The session provided an appropriate beginning to the induction programme by creating awareness about future career opportunities in the technology sector.

Day 2 – 28th September 2026
Topic: Life Skills
Resource Person: Mrs. Dhanashree Ghare

The second day of the programme focused on Life Skills, conducted by Mrs. Dhanashree Ghare. The session emphasised the importance of developing essential skills that support students in their academic, personal, and future professional lives. The session helped students understand the importance of effective personal development and adapting positively to the different situations they may encounter during their college journey. The session formed an important part of the induction programme by focusing on the overall development of students beyond academics.

Day 3 – 29th September 2026
Topic: Prevention of Ragging and Student Safety
Resource Persons: Mr. Ranjit Singh Pardeshi, Mr. Babasaheb Antarkar, Mr. Sandip Patil and Mrs. Ashwini Gaikwad

The third day addressed the important topic of "Prevention of Ragging and Student Safety". The session was conducted by representatives associated with the Deccan Police Station and

Nirbhaya Pathak. Mr. Ranjit Singh Pardeshi, Crime Police Inspector, Mr. Babasaheb Antarkar, Assistant Police Inspector, Mr. Sandip Patil, Amaldar, and Mrs. Ashwini Gaikwad, Amaldar, interacted with the students. The session focused on creating awareness regarding ragging prevention and student safety. It helped students understand the importance of maintaining a safe, respectful, and disciplined educational environment.

The day also included an interaction with the Academic Coordinator, Dr.Ganesh Patare. This interaction provided students with an opportunity to understand and become familiar with the academic aspects of their college journey.

Day 4 – 30th September 2026
Topic 1: Principal's Address
Resource Person: Dr. Kishor Nikam

The fourth day began with the Principal's Address by Dr. Kishor Nikam. The session formally connected the students with the institution and provided them with guidance as they began their first year of college. The address formed an important part of the induction process and helped students understand the significance of their academic journey at the institution.

Topic 2: Neuro Yoga – Smart Technique for Healthy Brain
Resource Person: Ms. Janhavi Prabhudesai from Yogsavi Foundation

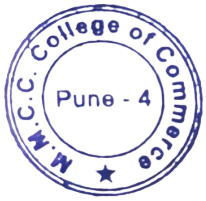

The second session of the day focused on "Neuro Yoga: Smart Technique for Healthy Brain". Ms. Janhavi Prabhudesai introduced students to the theme of maintaining a healthy and active brain. The session highlighted the importance of novel movements combined with mindful focus to help create new, positive brain pathways, rewiring stress patterns into calm clarity.

Day 5 – 1st October 2026
Topic: Your Image: Your Impact
Resource Person: Ms. Neha Ratnakar

The final day of the Induction Programme focused on "Your Image: Your Impact", conducted by Ms. Neha Ratnakar,ICBI Certified Personal Image Consultant. The session addressed the importance of one's image and the impact it can have in personal, academic, and professional settings. It encouraged students to become conscious of their presentation and the impression they create through their personality and conduct. The session provided a meaningful conclusion to the induction programme by focusing on students' personal development and the importance of creating a positive impact.

12. Learning Outcome:

- Students became familiar with the college and Department of Computer Application.
- Students gained awareness of emerging AI and technology-related career opportunities.
- They understood the importance of life skills and personal development.
- Students became aware of ragging prevention and student safety measures.
- They received academic guidance and motivation for their college journey.

- Students learned the importance of mental well-being, healthy practices, and positive personality development.

14. Feedback:

- Students found the sessions informative, engaging, and useful.
- The interaction with experts provided students with valuable guidance regarding technology, life skills, safety, academics, health, and personality development.

15. Acknowledgement:

The Department of Computer Application expresses its sincere gratitude to all the resource persons for their valuable time, guidance, and interaction with the students. The department also extends its gratitude to the Principal, faculty members, coordinators, and all students for their support and active participation in making the Induction Programme successful. The First Year Induction Program 2026–27 was organised by the Department of Computer Application from

M.M.C.C. College of Commerce Pune - 4

24th September to 1st October 2026 in Dnyaneshwar Hall. The programme covered diverse areas including AI and future careers, life skills, student safety and anti-ragging awareness, academic guidance, institutional interaction, brain health, and personality development. The diverse sessions were designed to familiarise first-year students with their new academic environment and provide guidance relevant to their personal and academic journey. The department also extends its heartfelt thanks to Dr. Kishor Nikam, Principal, Prof. Nidhi Satavlekar, HOD, BBA(CA), Dr. Pranita Raskar, Guest Session Coordinator, BBA(CA), all faculty members, non-teaching staff; and participating students for their valuable support and cooperation in successfully organising the session.
